Greetings to you all in the name of the Risen Christ!

We are surprisingly enough back to that time of year when children all over the nation are gearing up for bum bum bummmmm... **BACK TO SCHOOL**. As a young man this time of year was associated with such a plethora of emotions it's a wonder my mom didn't lose her mind. Excitement to see friends I hadn't seen since the spring, excitement and trepidation over what teacher I was going to have, dread over knowing that I wouldn't be wearing any of the "cool" clothes of the time... I'm sure that these aspects of going back to school haven't changed much in the years since then.

This year though, will be even more exciting/scary than in previous years for students in our community. Our students will be going into a new environment, whether it be at the old high school or going to the consolidated high school on Oak Hill. Gone are the familiar sights sounds and yes, even odors of years past. These kids will be well outside their comfort zone for the first few days at least.

But let's not forget though, the teachers. As we read Proverbs 22:6 which reads "Train up a child in the way he should go; even when he is old he will not depart from it." We are reminded of the hard work they have before them. Their responsibilities for other people's children can be nothing short of a calling. Even though they are all "grown-ups", we need to remember that they too are being put in a position outside their comfort zones too. They will be filled with the same excitement and dread that each of the students will be facing. For them all the familiar sights sounds and yes even odors of years past will be absent this year as well. We would be remiss if we didn't keep them in our prayers also.

Pray with me please this prayer:

Heavenly Father

We come to you as a grateful and hopeful church. Lord we pray your blessing on the children and teachers who will be soon starting the school year. We pray Lord that you that he keep your arms firmly around each of these students and teachers in our community, as well as students and teachers everywhere who are starting classes in the upcoming months. We pray Lord that they each be given the peace of mind that you only can give, so that they may grow and learn. We pray for the safety of these children and educators, as they go through the school year, that they each may return home without harm at the end of each day.

We pray this in the name of The Father, The Son, and the Holy Spirit. Amen

Peace be with you all

Pastor Rick
